A modern interior scene featuring a wooden shelf with four cat-shaped vases. The vases are in two colors: two are a light beige and two are white. They are arranged on a light-colored wooden shelf. To the right of the shelf is a large, vertical panel with a prominent wood grain, likely representing the 'Pearwood' finish mentioned in the text. Below the shelf, a white cabinet with two drawers is visible. The floor is made of dark wood in a herringbone pattern. A QR code is located on the white cabinet, and the text '7015 Pearwood' is printed on the left side of the cabinet.
